ENGINEERING DEPARTMENT.

SPECIAL WATER SUPPLY CONSTRUCTION DIVISION.

Notification dated 5th December 1924.

It is hereby notified for the information of the public that stores enumerated in the statement hereunder will be sold by public auction on 10th January 1925 at Bangalore at the premises of Special Water Supply Construction Division.

2. The materials selected for the sale will be available at the site for examination on the previous day with the permission of the Assistant Engineer who will be at the spot.

3. The terms and conditions of the sale are :—

(*a*) that the article or articles will be knocked down to the highest bidder and that in the event of any dispute arising between two or more bidders at the same price, the article or articles will be put up again and resold ;

(*b*) that all the articles purchased shall be at the risk of the purchaser thereof from the time of the sale ;

(*c*) that all articles should be removed with faults and errors of all description as sold ;

(*d*) that cash should be paid in full for article or articles purchased by bidders before delivery, but that the articles will not be allowed to be removed from the place of auction until after close of sale.

(*e*) that in case of default of the payment of the whole or any portion of the purchase amount due by any bidder, the articles will be resold and the bidder will be liable to any loss incurred thereby ;

(*f*) that a deposit of 10 per cent of the amount will be made by the successful bidder immediately the articles are knocked down in his favour, and that such deposits shall be treated as forfeited to Government in case of any default to pay the purchase money within the time prescribed in clause (*g*). Also that on resale as laid down in clause (*e*), the bidder will be liable to make good any loss incurred thereby, without having the right to participate in any excess realised ;

(*g*) that the purchase money should be paid up within three days from the date of sale and that the articles purchased should be removed immediately thereafter.

(*h*) that the sale shall be subject to confirmation by the Executive Engineer.

H. F. MARKER,
Executive Engineer.

TUMKUR DIVISION.

Notification dated 1st December 1924.

Notice is hereby given that sealed tenders will be received at the office of the Executive Engineer, Tumkur Division, up to 12 noon on 5th January 1925, for restoring the Mavinkere Minor Tank, Registered No. 150 of Turuvekere Sub-Taluk. The work should be completed by the end of June 1926.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's Office at Tumkur, between the hours of 11 A.M. and 5 P.M., on all days except Sundays and other holidays.

3. Tenders should be submitted on special forms which can only be obtained from the Executive Engineer.

4. Each tender must be accompanied by a deposit of Rupees 200-0-0 (two hundred only) in cash or Government Promissory Notes, as earnest money, and be superscribed "Tender for restoring the Mavinkere Minor Tank, R. No. 150 of Turuvekere Sub-Taluk" in default of which, tenders will be rejected.

5. The final acceptance of any tender will rest with the Executive Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond; in default of which, his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the notice board in the Executive Engineer's office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned on surrendering the receipt granted therefor.

9. The rate should be noted both in figures and in words in the special form without any correction or addition under items of work.

10. No claim for any higher rate on any account will be entertained after the tender is accepted.

11. The contractor will be fined in terms of his bond for any short progress, or delay.

12. By failure to show the stipulated progress monthly, the tender will be liable for removal, fine and forfeiture of earnest money.

13. Approximate estimate quantities for restoring the Mavinakere Minor Tank, registered No. 150 of Turuvekere Sub-Taluk. These quantities are not guaranteed.
